PRESTIGE 2025

A sense of Calm | Artistic | Fashionable

**Leisure Touch — 诗悦 .**

诗 literates as poetic, which inspires romance, beauty, nature and tranquility.

悦 originates from ancient China: 6 pleasures of reading Buddhist Scriptures. Sit, recline, eat, relax, or entertain with our furniture, cosy and ample experience of 6 pleasures embraces body to mind. Please yourself, please others.

We have achieved significant milestones since its establishment in 2009, including establishing an R&D Department, registering patents, setting up 3-floor showrooms, obtaining certifications, and expanding into the domestic market.

Our R&D team combines expertise in product design, engineering, production, and output to create cutting-edge outdoor furniture designs tailored to the European markets, ensuring high-quality production, showcasing products through various channels, and fostering collaboration to drive continuous research and development achievements.

## Pegasus LANTERNS

Inspired by the classic design of ancient cylindrical lanterns, this lantern perfectly merges traditional elegance with modern craftsmanship. Made of minimalist aluminium and sophisticated teak wood, it brings warmth and a touch of nature to the lantern. The LED light is beautifully diffused through the gaps between the teak slats, offering a soft and ambient glow that is gentle, relaxing and inviting.

Get inspiration from the sleek curves of a runway and the mystery of a tunnel's entrance, this lantern incorporates elements of light, evoking a vision of modernity, brightness and hope. Perfectly combining the strength of aluminium and the natural warmth of teak, it showcases harmony between nature and the boldness of human craft, offering people a unique visual and sensory experience.

## Rita LANTERNS

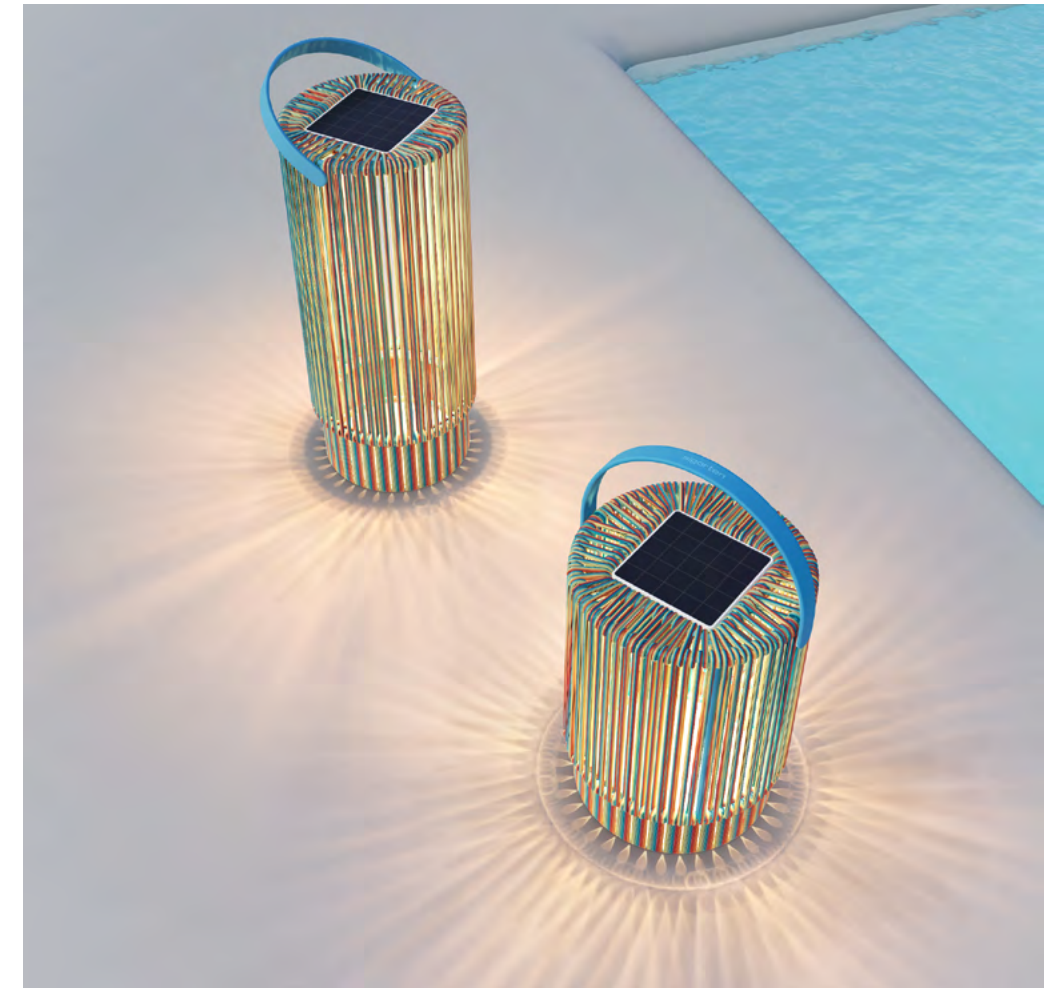

Design inspiration comes from women's handbags. The candlelight passes through the semi-transparent aluminium mesh, creating scattered grid shadows that are particularly eye-catching.

## Cora LANTERNS LED

Inspired by the timeless design of ancient barrel-shaped lanterns, this lantern seamlessly blends traditional aesthetics with modern innovation. This lantern is not just a functional product, but also a classy decoration that transforms your environment into a chic and inviting retreat, offering the perfect balance of classical beauty and contemporary outdoor living.

Named after the iconic hula dancer Tiare Kahanaoi and the Hawaiian word for "flower," the Tiare Lantern captures the essence of nature and elegance. Inspired by the chic design of a hula skirt, this lantern is crafted from premier webbing or plastic rattan. Its light gently filters through the woven structure, creating a warm and inviting glow for every cosy night outdoors.
